PAYMENT OPTIONS

Payment Policy: Payment is due at time of service. We accept cash, credit cards, HSA cards, and soon commercial insurance.

Insurance: We are working to contract with major commercial insurance companies including Humana, Cigna, Aetna, Anthem BCBS, and United Healthcare. Commercial insurance participation varies by plan, and benefits will be verified before services begin. Clients may elect to utilize plan benefits for speech therapy and evaluation services if applicable. Happy Sounds will bill insurance at the standard rate. Clients are responsible for co-payments, deductibles, coinsurance, and non-covered services. If we are "out-of-network" for your commercial insurance, you may be eligible for reimbursement from your insurance company after you have paid Happy Sounds for services at the standard rate. A superbill will be provided in this case, and it is the parent's responsibility to submit the bill to insurance for possible partial reimbursement.

Self-Pay: We offer a 20-30% "self-pay/prompt-pay" discount for families who elect not to use insurance and pay at the time of service. Families must sign an insurance-opt-out statement and pay at the time of service. "Bundled-Service Fees" are additional discounts only for self-paying clients who select to pay ahead-of-time (before first bundled service). Families may pay by cash, credit card on-file, Health Savings Account Card.
